

Lüdenscheid, May 2018

Manufacturer's declaration on RoHS-II directive

As sustainably acting company we have checked the "Directive 2011/65/EU of the European Parliament and of the Council of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment" as well as modifications published later, with regard to the applicability of this directive to our products.

We declare that all products delivered by Insta, as far as they are subject to the directives named above, fulfil the requirements for the listed substances.

- Lead (0,1 %)
- Mercury (0,1 %)
- Cadmium (0,01 %)
- Hexavalent chromium (0,1 %)
- Polybrominated biphenyls (PBB) (0,1 %)
- Polybrominated diphenyl ethers (PBDE) (0,1 %)
- Bis(2-ethylhexyl) phthalate (DEHP) (0,1 %)
- Butyl benzyl phthalate (BBP) (0,1 %)
- Dibutyl phthalate (DBP) (0,1 %)
- Diisobutyl phthalate (DIBP) (0,1 %)

This is documented by the corresponding marking of the products as well as by the product-specific declaration of RoHS-conformity.

Please understand that due to the complexity of the subject and the great number of products we do not answer customer-specific questionnaires.
